

# THANKFUL FOR MY DOG DAY

## 1. HELP YOUR PARENTS ENSURE YOUR DOG HAS ENOUGH FOOD, FRESH WATER AND SHELTER.

Setting up a feeding schedule will make sure your dog gets the right amount of food. Make sure they have fresh, clean water throughout the day. They need to have shelter to keep them cool in summer and warm in winter.

## 2. HELP YOUR PARENTS KEEP YOUR DOG'S FEEDING AND PLAY AREA CLEAN AND TIDY.

This means picking up any spilt food and wiping up any spilt water.

## 3. HELP YOUR PARENTS GROOM YOUR DOG BY BRUSHING ITS FUR AND BATHING IT.

It is also important to regularly check for fleas or ticks.

#### **4. TAKE YOUR DOG FOR A WALK REGULARLY.**

Make sure that your dog is wearing a collar and leash when going on walks for their safety. Your dog needs a tag with its name and your contact information (or a microchip).

#### **5. PLAY GAMES WITH YOUR DOG AND GIVE THEM LOTS OF LOVE.**

You can use pet toys such as balls or stuffed animals. Make sure that you are gentle with your dog and let them rest so that they don't get overly tired.

#### **6. HELP YOUR PARENTS TAKE YOUR DOG TO THE VET.**

Your dog should see a vet at least once a year and if they are hurt or sick.
