

# INTERNATIONAL CHEETAH DAY

## FUN FACTS ABOUT CHEETAHS

1. Every cheetah's spots and tail ring patterns are unique, much like our fingerprints.
2. Cheetahs can survive up to 10 days without water.
3. Cheetahs don't roar, they meow.
4. The word cheetah comes from the Hindi word 'Chita' which means 'spotted one'.
5. Cheetahs are the World's Fastest Land Mammal.
