

**Celebrate World Lion Day by making your very own wild animal mask with Leroy the Lion!**

### **HOW TO MAKE YOUR MASK:**

- Use your favorite colours to colour in your lion mask
- Carefully cut along the edges of the lion's mane
- Use a stick or ruler with sticky tape to make a mask handle, OR make small holes on the sides and thread some elastic or thin string.
- You can also stick the mask on a paper plate or cardboard to make it stronger and sturdier.
