

# STORY SUM FUN

I gave Lesedi 4 crayons.  
If she has 10 crayons now,  
how many did she start with?

---

# STORY SUM FUN

If a half-full tank has 40 litres in it,  
how many litres are in a full tank?

---

# STORY SUM FUN

The farmer sold 3  
cows and now has 7 left.

How many cows did he start with?

---

# STORY SUM FUN

Gran shared some flowers with Thato.  
They have 5 flowers each.

How many flowers did Gran pick?

---
