Name your penguin: \_\_\_\_\_

Once upon a time, on the sunny beaches of South Africa, lived a special seabird - the African Penguin. These penguins are the only ones in Africa, but their numbers are getting smaller every year. If we don't help, they might disappear forever.

You can make a difference! Colour in our penguin picture and give it a name! Then send it to us on WhatsApp number: 0600703037. For every coloured-in penguin, Pick n Pay will donate R1 to help save them, with at least R50 000 going to SANCCOB. Let's protect these amazing little seabirds so they can keep waddling on our beaches!
