DID YOU KNOW?

Have an old phone, charger or other gadget? Don't just throw it away - that's what we call e-waste, and it's a big problem! Instead, be sure to recycle it so it can have new life and not end up in a landfill.

TAKE ON THE CHALLENGE

# 'DEVICE RESCUE MISSION'

Sort your electronic stuff!

**Step 1:** Check your home for old gadgets (like phones, chargers or electronic toys) that can be recycled.

**Step 2:** Find the nearest e-waste recycling bin: Our friends at ERA (E-Waste Recycling Authority) have set up over 100 e-waste bins in stores all over the country!

Scan the QR code or go to [www.eranpc.co.za](http://www.eranpc.co.za)

**Step 3:** With the help of an adult, drop off your e-waste at one of ERA's e-waste bins.

Remember, recycling is the right thing to do!
