

HAPPY INTERNATIONAL
DAY OF WOMEN AND
GIRLS IN SCIENCE!

MILK FIREWORKS SCIENCE EXPERIMENT

Milk Fireworks Science Experiment

What you will need:

- Milk (preferably whole milk, at room temperature)
- 2 shallow bowls
- Toothpick and/or cotton bud
- Liquid dish soap
- Food colouring

Step 1

Instructions

- Pour some milk into a bowl
- Pour some liquid dish soap into a bowl

Step 2

Instructions

- Place in drops of your food colouring

Step 3

Instructions

- Dip your toothpick/cotton bud into the liquid dish soap

Step 4

Instructions

- Carefully place your soapy toothpick/cotton bud into the middle of your bowl of milk
- Watch the magic happen!
